The Penn State Alumni Association Lawrence County Chapter

The Lawrence County Chapter of the Penn State Alumni Association proudly proclaims the 2005-2006 membership year as one of great satisfaction. We more than doubled our memberships from previous years and for the first time we delivered two \$500 scholarships to deserving Lawrence County students.

In early August, we awarded scholarships to Casey Spears and Bryan Show as they both venture off to Penn State. You will be able to read more about Casey and Bryan in the following pages. We are very proud of our scholarship program and we would like to extend an invitation to any individual or a group of individuals to sponsor, fund, and name their own scholarship through the Chapter. At the very least, we would appreciate any donations to our scholarship fund. Good luck Casey and Bryan.

During the past year we sponsored a bus trip to a football game, the Freshmen Send-off, and several TV parties. All have been successful and will be revisited this year. But our goal is to make 2006-2007 an even greater year. We plan to sponsor new and different events that will include parties and dinners to attract new and younger members to the association. Please share with us any thoughts or ideas that you may have to improve or expand our activities and events. Our Officers for the 2006-2007 will remain the same: Denny Keane, Vice President; Bruce Bauman, Treasurer; Brian Daytner, Secretary; and myself as President.

We hope that all receiving this mailer will consider joining or renewing their membership in the Lawrence County Chapter this year to achieve our goals. Included in this newsletter is an announcement of our very popular bus trip to this year's Homecoming football game versus Illinois. Tickets will go fast so please do not hesitate if you are interested. We are also considering adding a basketball trip. If you are interested, let us know !!

We look forward to seeing you in the future!! GO PENN STATE!!
